Will the Minister of SKILL DEVELOPMENT AND ENTREPRENEURSHIP be pleased to state:

(a) the percentage of youth from the rural areas that has been recruited so far on completing the skill certification courses during each of the last three years and the current year; and

(b) the sectors that have so far recruited youths from rural areas on completing the skill certification courses?

Answer

(a) & (b) The details of placement under skilling (other than Pradhan Mantri Kaushal Vikas Yojana (PMKVY), Udaan, Star) by National Skill Development Corporation's (NSDC's) Training Partners year wise is as follows:

S. No. Year Total number of Placements
1. 2013-14 2,18,561
2. 2014-15 2,86,594
3. 2015-16 5,39,088

Under PMKVY (as on 18th July, 2016), a total of 17.94 lakh candidates have been enrolled, 17.93 lakh have been trained and 11.84 lakh have been certified. Under this scheme, it was not mandatory for NSDC's training partners to report employment data. The employment data available reflects only a very small part of the actual employment provided under the scheme. However, under PMKVY 2016-20 approved by the Cabinet on 13th July 2016, the focus on employment has been significantly enhanced. The last 20% payment to training partners would be made only after wage employment or self employment to at least 70% of the trained candidates.

The placement has happened in many sectors especially in the following:

i. Retail
ii. Beauty and Wellness
iii. Gems and Jewellery
iv. Tourism and Hospitality
v. Healthcare and Security Sectors

The database does not have facility to separately indicate the status of candidates from rural and urban areas.
